

4-H & FFA GENERAL RULES

(Read Carefully)

1. Entry labels and cards will be given to leaders well ahead of the fair and need to come to the fair with the exhibits (except for livestock). **Pre- entries for all livestock will be due in the Extension Office by July 12, 2016, with entry cards filled out. Entry cards may not be changed for any reason at the fair (i.e. ownership). A sign up sheet with Pre-entries for all 4-H Building exhibits at the fair will be due on July 12, 2016. This sheet will be mailed to all 4-H and FFA members.**
2. Entry labels and cards are also available at the Extension Office.
3. All entries must be in place by 10:00 A.M. on Friday of the fair, and will be released at 5:30 P.M. on Sunday. No vehicles will be allowed on the grounds before 6:00 P.M. Removal of an entry prior to the official release time on the final day of the Fair will result in that exhibitor forfeiting all placings, prizes, money and awards for all of their entries and the right to participate in any other Fair contests or events. Exemptions for special circumstances will be considered with a petition to the Fair Board Executive Committee *prior to removal*.
4. **All entries need to be removed from the buildings by 6:30 P.M. Clean up of all areas will begin at 6:30 P.M.**
5. All exhibits of outstanding quality, except in Livestock Division, will be designated by a State Fair sticker as

eligible to be entered in the Kansas State Fair. Members must be 9 years of age, as of January 1 of the current year, or older to exhibit at the State Fair. **State Fair entries are due by August 10th and can be made at the fair office.**

6. Exhibits may be made only in project areas in which 4-H'ers are enrolled. If a member is exhibiting in a project for 4-H, they may not enter in that department in Open Class.

7. 4-H club members will exhibit only those products made or produced by them in the current year, except livestock exhibits where ages and dates are given in the class rules.

8. Prize ribbons and prize money will be awarded according to merit when only one entry is made per class. A purple ribbon will not be awarded to a red ribbon exhibit just because it is the only entry in a class.

9. **Complaints: Any complaint regarding eligibility or adherence to the rules must be made in writing. \$100 cash or a certified check must accompany a written protest form. The fee will be forfeited if the Fair Board Executive Committee is not able to substantiate the complaint and half will go to the Fair Board and half will be awarded to the person(s) that were the subject(s) of the complaint.**

4-H AND FFA LIVESTOCK--

A. Dress Code will be mandatory for all livestock shows (this includes Poultry and Rabbits) and Round Robin: Collared Shirt, Pants, and Closed-toe Shoes or Boots. Any exhibitor that fails to meet the dress code will be dismissed from their class without receiving a placing. Junior Superintendents handing out ribbons in the show ring also need to follow dress code.

B. Exhibitors must complete their class and receive a placing in order to be eligible for the Premium Sale. If an entry is dismissed for any reason prior to the completion of the class and receiving a placing, that entry will not be eligible for the Premium Sale.

C. Members exhibiting livestock shall accompany their exhibits and care for them. Failure without just cause on the part of the exhibitor to show their own animal ***in all classes (including showmanship)*** will bar them from participation in any award. The exhibitor may have another member assist them provided it meets with the approval of the Fair Board.

D. In Beef, Swine and Sheep projects, ***only two entries may be made in any one class.*** Two market animals per breed may be entered by one exhibitor. ***Because there are no breed classes, meat goat exhibitors may enter up to 4 head in the market goat division.*** In the Bucket Calf project, only one calf per 4-H'er. All livestock, except dogs and hand pets, must be at the Barber County Fair all three days.

E. If a livestock exhibitor has more than one entry in a class, the other animal may only be shown by another Barber County 4-H or FFA member.

- F. All livestock may be inspected by a veterinarian at weigh in and all animals showing symptoms of disease will be promptly excluded.
- G. All 4-H'ers and FFA members with livestock are required to keep their stalls open from 9:00 A.M. to 8:00 P.M. Cattle will not be allowed to leave the barn for tie-outs before 8:00 P.M. each night of the Fair. Any exhibitor that is found to have violated this rule and removed cattle from their stalls prior to 8:00 P.M. will forfeit their prize money and be deemed ineligible to participate in the Premium Sale.
- H. Exhibitors are required to clean out their stalls. Each club is required to have their stalls inspected by a fair board member on Sunday evening. If the stalls are not cleaned (hay, feed, manure, trash, etc.) and deemed acceptable by a member of the fair board, the individual(s) will have their premium check(s) withheld by the fair board until the stall areas are cleaned.

- J. All market lambs showing at the county fair must be slick shorn within a week of the county fair.

- L. No paints, oils, or powders are allowed on sheep, swine or goats.
- M. In order to exhibit 4-H and FFA market livestock at the State Fair, the member must have participated in county competition within the same project. A different animal may be shown.
- N. In market classes, Champion and Reserve Champion shall be selected from blue ribbon animals from each breed. Grand and Reserve Grand Champion animals will be selected from the Champions and Reserve Champions in each breed. For market livestock classes, a minimum of 5 head per breed will be required for classes to be divided by weight. If fewer than 5 head are entered, all animals in that breed will be shown as one class.
- O. Livestock may be brought to the fairgrounds on Thursday evening before the fair.
- P. The tie-outs will be the designated unloading area for all cattle. All cattle must be unloaded into the tie-outs and not on the main fair grounds (inside the pipe rails) for safety reasons.
