FAIR PRE-ENTRIES DUE
JULY 6, 2015

ALL 4-H/FFA PRE-ENTRIES are due to the Extension Office on July 6, 2015, by 2:00 P.M. Each 4-H member has been mailed a sheet of paper that will list every possible class a member can exhibit in the 4-H Building. Members will be asked to put the number of exhibits they plan to enter in each class and then return the sheet back to the office.

4-H members are encouraged to enter every item they think they might bring to the fair. It is better to enter an item and scratch than to not have an item entered at all. There will be a $3 per class charge for late or additional entries.

All animals will be entered on two-piece cards. Be sure to make a card out for the showmanship classes also. FFA members need this information turned in also. All 4-H and FFA leaders will have the livestock cards and entry materials given to them.

Fashion Revue Entries Due - Each 4-H member enrolled in the Clothing & Textiles project will be mailed a Fashion Revue Script and entry form. Each member is allowed to model 4 outfits total. This script will be read as you model at the Public Fashion Show. The Fashion Revue Form on www.barber.ksu.edu can be typed on. Both need to be returned.

POULTRY TESTING

Poultry testing for the Barber County Fair has been cancelled. The Kansas Department of Agriculture has issued a stop movement order for all poultry and live birds. There will not be any poultry or bird related shows in the state of Kansas for the rest of 2015. If you would like to read the full order from the Department of Agriculture, you may contact the Extension Office.

SCIENCE EXTRAVAGANZA

The theme this year was a “Science Extravaganza” the special guest was Jerry Simmons with the Science Show. A camp wouldn’t be complete without archery, rifles, crafts and snacks. Everyone had a good time.
