

February 2022  
Reporter's Reporter

It's time for County Club Days! Several Stateline 4-H members worked really hard to get ready for County Club Days and their hard work paid off. County Club Days was held February 12 at South Barber High School. Callen Corr received Top Blue Demonstration & Blue Reading. Jancey Goodno received Top Blue Project Talk and Alternate Top Blue Reading. Janda Goodno received Top Blue Project Talk and Blue Reading. Keagan McMurray received Blue Illustrated Talk and Blue Reading. Clayton Smith received Blue Reading. Callen, Jancey and Janda are on to Regionals on March 19, 2022! We also had five members attend and complete the Youth Quality Care of Animals workshop held February 19 at Grace Bible Church. Our monthly meeting was held on February 20, 2022 at the Hardtner Community Center. Leader, Amanda Corr, reminded members of the following deadlines: add/drop projects May 1, Market Beef tagging March 1, all other species tagging May 7 and handed out coupons from Orscheln's for a discount on project supplies. Community service projects were discussed along with fundraising ideas and a possible field trip this spring. Members decided on an "Egg My Yard" for a fundraiser. Rustin Erickson gave a talk on what he plans to do after high school. Cort Blunk gave a talk about getting a farm permit and Keagan McMurray gave a beef project talk. Stateline had two members attend the County Council meeting held on February 28, 2022. Good luck to all the members going to Regional Club Days! Stay well, stay safe and 4-H on!

Sincerely,

Callen Corr
