4-H UPDATES

Official Newsletter of Barber County 4-H

County Fair Theme, Prizes Survey, and More Changes

4-H Council selected the Fair theme: “County Fair Era.” An entry form for the Fair Book Cover Contest is included at the end of the newsletter. The deadline was extended to May 6.

The Fair Board is increasing the opportunities for 4-H and FFA members to receive premium money. First, added to the traditional live auction is Breeding animals shown in Beef, Sheep, Goats or Swine shows. Each member may only sell 1 entry. Any breeding animals that go through the Premium Sale may continue showing, but cannot be sold through any future Barber County Premium Sales. As a reminder, animals may sell in the Premium Sale and continue to be shown at the State Fair or Kansas Junior Livestock Show.

New this year, 4-H members not selling in the Premium Sale, may select 1 project to sell in a Silent Auction from the project area of Foods, Crafts, Woodworking, Photography, Fiber Arts, or Sewing and Textiles. These items will become the property of the highest bidder. This will keep them from being eligible for the Kansas State Fair. Members will declare by Friday at 5:00 P.M. if they are selling an item in the Silent Auction. The Silent Auction will be in the 4-H Building from Saturday at Noon until Sunday at 1:45 P.M. Fair Changes, Continued

The expectation is that foods sold in the Silent Auction will have a fresh product made and delivered soon after the fair. The champion food entries will continue to have the opportunity to sell in the Live Premium Auction.

The Fair Board would like to know what kind of prizes members would like for the building exhibits. A 1 question survey is available at https://kstate.qualtrics.com/jfe/form/SV_5dRuP3heqmnojj0. Please answer the question by April 22. As of April 13, we have 2 answers. We will keep the same plaques if we do not get a larger response.

The Food Bake Sale right after the 4-H Foods are judged generates very little revenue. For 2024, we are going to allow members to take their items back, donate them to the fair kitchen or the superintendents can keep the items for display. No items will be allowed to be picked up until 4-H Foods Judging is completed.

A mule class has been added to the Horse Halter Show.

Starting with 2024, 4-H members will be required to attend half of their club meetings between October 1 and the County Fair to be eligible to sell in the Premium Sale. This includes the live auction and the silent auction.

2024 Tagging Policy: For the 2024 Barber County Fair, all market and breeding animals will be identified by a State EID Tag, a Barber County Tag, Scrapie Tag or a Tattoo. This number will be submitted with 3 photos (Front, Side, & Side) by the deadlines announced in the 4-H Newsletter. Tags will be available for purchase in the Barber County Extension Office.

4-H Summer Camps

Summer brings 4-H Camp Season. We have several opportunities for members to be involved.

Discovery Days is June 5-7 on the K-State Campus for members 13 years old or older. Registration Deadline is May 5. This is a mini college experience. Classes are held on a variety of topics related to many 4-H projects or careers. 4-H members stay in the dorms and eat in one of the dining centers. Madisyn Day went last year, visit with her to learn more. More information will be posted on [the state website](#).

County 4-H Camp is at Silver Maple Campground in Kingman County. This is a 2 night camping experience for 7-12 year old members with teens serving as counselors. The groups participate in archery, crafts, paddle boats, swimming, and other learning experiences. A flyer is included with a registration form in this newsletter.

Rock Springs 4-H Center is hosting camps this summer. They have a variety of options that include longer stays at camp and teen leadership experiences. With the new camp format, all 4-H members can attend as a camper up to 18 years old. See the included flyer for more details.

Summer 4-H Interns will once again be in Barber County. They will have classes in both Kiowa and Medicine Lodge this summer. One class will be Reading Makes Cents that focuses on books and money. Other classes will be added in May.

Camps for All!

Day Camp: Age 12 and under. Held May 31, Deadline to sign up May 17. 4-H membership NOT Required.

Overnight Camp: Ages 7-12, by January 1, 2024. Camp is June 11-13 in Kingman County. Sign Up by May 1

Older 4-H members will be needed as counselors for both of these camps.

Discover Days: Ages 13 and older. June 5-7 at K-State. Registration Due May 5.

Barber County Spring Livestock Show

Barber County Spring Livestock Show is May 4-5, 2024. Here is a chance to show prior to the County Fair for good practice, and also a chance to win. Beef will be shown on Sunday the 5th ONLY, while Swine, Goats, Sheep will be on Saturday. The show will take place in Hardtner, Kansas at the Barber County Fairgrounds. Be sure to keep this on your calendar, as entry deadlines are day of the event at specific times. Please see the flyer in the newsletter for more information.

Scholarships

The Barber County Horse Scholarship and Barber County Fair Scholarship will be due with Fair Pre-Entries. Forms will be available in the first part of June.

4-H Shutterbugs

4-H Shutterbug events are photography workshops put on across the state by the Kansas State 4-H Photography Committee. Workshops are typically scheduled as a morning session and concentrate on a variety of aspects of composition. They typically end around noon. Our local workshop this year is located at the Botanica Gardens in Wichita. It begins at 9 am on April 27th. Please see flyer at end of newsletter.

Project

May 1 Project Drop/Add Deadline

- 4-H Members can add new projects or drop current ones until May 1.
- Changes can be made in 4-H Online or by calling our office. Charlotte or Robin can help you with this process. If you call by May 1, it will be considered on time.
- May 1 is also the deadline for new members to join and show in the 4-H division at the Barber County Fair.
- New members may join at any time, but new members joining after May 1 will need to show in Open Class.

Family Camp Options Available at Rock Springs Ranch

Family camp at Rock Springs Ranch offers a unique opportunity to escape everyday life and spend quality time with your loved ones in an outdoor setting. This immersive camping experience allows families to explore nature and foster a sense of togetherness.

Andrea Feldkamp, who was enrolled in Kansas 4-H for 12 years in Ellis County, Kansas, and then later worked as the 4-H Extension Agent in Riley County. She attended family camp in 2023 alongside her husband and three children. She said the experience is not like any other experience you can get, and the price to participate is affordable for most family budgets.

"We selected family camp as a way to explore Rock Springs before our two boys attended 4-H camp for the first time this past summer. We wanted them to learn how to find their way around at camp and become comfortable with the environment," she shares. "The smaller group and laid-back schedule allowed us to explore Rock Springs at our pace."

She said the traditional day-to-day life routines are not present at camp, so it frees your family up to explore and enjoy the experience. Her kids enjoyed the campfire time, and some of the high ropes activities they were able to try as part of this experience. All three kids voted canoes as the number one favorite activity that they can't wait to do again.

Family camp is offered twice a year at Rock Springs Ranch. The spring session is May 17-19 and the fall session is Aug. 9-11. To register for a family camp, visit the Rock Springs Ranch website at www.rockspringsranch4hcamp.org. Registration is open now, and spaces are limited, so don't miss out on this opportunity to bond with your family while exploring the wonders of nature.
