

Stateline 4-H Club
June 2021 Monthly Report

Are you ready for the 100th Barber County Fair? This seemed to be the topic on everyone's mind throughout the month. The Stateline 4-H Club started the month off with five campers and 2 counselors attending 4-H Day Camp at Camp Mennoscah near Murdock, KS. The campers that attended were Callen Corr, Jancey Goodno, Janda Goodno, Breckyn Hiltner and Keagan McMurray. The counselors that attended were Bo Miller & Keaton Wiske. Everyone had a great time playing games, making smoothies by pedaling a bike and tie-dyeing t-shirts. June is harvest time for our community. Callen Corr put his cooking skills to work and made cookies and delivered them to the OK Coop in Hardtner, KS. Our monthly meeting was held on June 13th, 2021 at 3pm at the Hardtner Community Building. Roll call was answered by my favorite summer activity. Jaxson Miller read the minutes from the county council meeting and let everyone know that each club is to provide a trifold board to celebrate the 100th Barber County Fair showing club history. Leader, Amanda Corr, informed members that fair cleanup will be Tuesday July 20th at 6pm. Stateline is responsible for the sheep barn, wash racks & trash cans. She also informed members of his/her Jr. Superintendent assignments and announced rule changes and special classes/events that will take place this year at the fair. It was decided that the club tour will be Sunday July 25th at 11:30am starting at the 4-H building. 4-H building duties were also discussed and a schedule was decided on. Let's make the 100th Barber County Fair the best fair around! Stay well, stay safe and 4-H on!!

Sincerely,
Callen Corr
